

Group to Hear Trust Officer

Keith J. Stinson, assistant trust officer in the estate planning division of Title Insurance and Trust Co., will address the Tuesday, Nov. 29, meeting of the Bapico Corp. Hanley Rogers, program chairman, announced today.

The meeting is scheduled for 7 p.m., at the Palms Cafe in Torrance, Rogers stated.

Bapico Corp. is an organization of business and professional men in the Torrance area, formed for the purpose of investing in an unlimited range of enterprises.

Topic of Stinson's talk will be "The Importance of Estate Planning."

Student From Konya Plans Visit Here

Ahmet Guceyener, a foreign exchange student from Torrance's "Sister City," Konya, Turkey will be a guest of the City to City committee on Friday, Nov. 25, according to Chairman John Barton.

Barton said Ahmet is attending high school in Mill Valley, Calif., under the American Field Service program. His uncle is the publisher of the Konya newspaper so he is expected to be able to inform committee members facts regarding the recent upheaval in Turkey and what effects it might have on the Sister City Project.

The young Turk will arrive at the Torrance City Hall at 10 a.m. on Friday and will be escorted on a tour of city facilities by Mayor Albert Ison and City Manager George Stevens. A tour of the city will follow.

At 11:30 a.m. a Press Conference will be held in the Konya Room of the Palms Restaurant, followed by a No-Host Luncheon in the Palm's Crystal Room. City to City officials said the luncheon is open to all interested citizens and that reservations must be made at the Chamber of Commerce office not later than 2 p.m. on Wednesday, Nov. 23.

Float Fund Drive Lags Behind 1959

The drive for funds to insure Torrance's entry in the Annual Tournament of Roses Parade is continuing—although at a somewhat slower pace than in previous years, according to Float Chairman George A. Bradford of the sponsoring Torrance Chamber of Commerce.

Bradford said slightly over \$1000 has been received thus far of the estimated \$4500 needed. He said the revenue from the Ranchero Days Celebration was down considerably this year which indicates a tough campaign to raise the necessary funds.

"For the first time," Bradford said, "we will have a certainly must have a representative float."

Bradford said the major problem is that many who clamored for Torrance to enter the parade four years ago are now taking the entry "for granted." Chamber officials again made clear that no tax funds are used for the Torrance entry that has copped two first-prizes and one third place award in the past three years.

Some 3588 persons were killed in California highway accidents in 1959, according to the California Highway Patrol. Of this number, 832 deaths occurred in Los Angeles County—approximately 24 per cent of all fatalities.
